Mr Janjic

In response to the above cited case, we would like to appeal the the Directors Order and Assessment in this case. The issues as listed in section XIV that have been addressed are as follows:

1. Photographic evidence and written documentation has been delivered to Jason Mann on December 18, 2007 showing the EPSC measures have been implemented
2. An updated SWPP plan will be submitted
3. The CAP has been submitted and approved on October 22, 2007
4. The CAP was implemented and corrected within 2 weeks of approval of the CAP.
5. The Owner has maintained EPSC measures as implemented since the approval of the CAP.

We look forward to meeting with you in regard to this case and looking forward to resolving this issue in a timely matter. If I can be of further assistance please do not hesitate to call.

Sincerely

David L Hurst
